

## **Coca-Cola Hellenic Austria**

Coca-Cola Hellenic Austria supplies the whole domestic market with products from the Coca-Cola Group. Apart from the well-known brands Coca-Cola, Coke light, Coke zero, Fanta and Sprite, the comprehensive product portfolio includes Nestea, Cappy, Römerquelle, emotion, the energy drink burn and the sports drink Powerade.

Over 50,000 customers (food retail and catering businesses) bring Coca-Cola products to the consumers. 8,000 coolers make sure that the products are always within easy reach.

Coca-Cola has been firmly grounded in Austria since 1929. Through its ongoing investments and a value creation of over 50% taking place in Austria, Coca-Cola Hellenic Austria is an essential part of the national economy. This year the company invests 40 million Euro in a state of the art production and logistics centre in Edelstal, Burgenland, to secure Austria as a business location on a long-term basis.
