

Company profile

WIENER STÄDTISCHE Versicherung AG Vienna Insurance Group is the largest single company within the international group VIENNA INSURANCE GROUP AG Wiener Versicherung Gruppe, which has its head office in Vienna. As an independent entity, the company's activities focus entirely on the Austrian market.

With a market share of approximately 14 percent, Wiener Städtische is the largest insurance company in Austria. Responsible for about 1.3 million customers the company is fully committed to meeting their needs. Wiener Städtische operates in all segments of the Austrian insurance market and offers customers peace of mind in numerous areas of their lives, both as private and as business customers.

“We develop many innovations to meet our customer needs to provide for the future. We are always one step ahead, because to us *‘showing foresight’* means taking social change seriously, working for reforms and changing our products and services to adapt to changes in living conditions.”, says Judit Havasi, Managing Board member at Wiener Städtische Versicherung.
